Thank you's
Dave Walsh, All-American Comics, Evergreen Park, IL.
Bob Nastasi, Amazing Comics, Sayville, NY.
Larry Logan, Comix'N Stuff, Phoenix, AR.

This publication is designed to guide comics collectors in the most current comics values. It is a tool along with other fine publications to assist collectors in enjoying the hobby. Also useful are *The Comic Book Price Guide* by Robert Overstreet and *The Comics Buyer's Guide* by Krause Publications.

The comics values listed are what a dealer will generally ask. Depending on a dealer's needs and condition of the comics, dealers will pay around 50 percent of these values for major and hot titles, and 30 percent or less for minor comics. These guidelines will vary from dealer to dealer and as to location.

Condition of Comics

MINT- A perfect comic in every way.

NEAR MINT- A nearly perfect comic. Cover shows barely perceptible signs of wear. Tight spine with minor printing defects acceptable.

VERY FINE- Beginning signs of wear. Slight creases at staples, some loss of gloss but attractive.

FINE- A worn cover but clean. Stress lines around staples and more rounded corners.

VERY GOOD- A well read book. Minor markings, discoloration. Heavier stress lines around staples with minor tears or corner creases and spine rolling.

GOOD- A very worn comic with creases, minor tears, cover flaking apparent. No tape.

FAIR- Slightly damaged cover, badly rolled spine, cover flaking and possibly corners gone. Tears and tape are possible.

all comics listed in this guide are in near mint condition

Characters represented in this issue are copyright respectively by D.C Comics, Marvel Comics Group, First Comics, Eclipse Comics, Comico, Aardvark-Vanaheim, WaRP Graphics, Eternity, Harrier, Slave Labor Graphics, Kitchen Sink Comix, Try Studios Top 100 List copyright Diamond Distributors.

FUTURE PICKS

•Special Notice—Starting with Comics Values Monthly #25 the May issue, we are going computer. Special type setting, a much cleaner look, and an easier to read text with be the result. Special thanks is given to Stu Wells for guidance and assistance in this project. And a special thank you to the CVM fan.

•It's beyond belief, it's beyond sanity, that the joker is doing it again. Doing what, you may ask?, well, selling out. Across the continent the *Killing Joke* is selling out and fantastic sales are reported. The premier villan is touted by DC as, "beyond evil there is insanity, beyond insanity there is — the Joker." Billed as the Definitive Joker written by Alan Moore and with art by Brian Bolland, how can it miss!

•Have you notice a growing group of fans trumpeting the virtues of concrete? This popular Dark Horse comics title steadily grows in popularity. Dealers report new fans each week getting into Concretes adventures. Drawn by Paul Chapwick, this funny and yet thought provoking series is a future pick.

Nick Fury the Agent of Shield has caught most dealers looking the other way. Nick was fighting for his life against the infultrating enemy Disaster. The popular 48 page format has sold out at most stores, Marvel is reported to have put it into a second printing. Again demand has outstripped supply, up goes the values.

•Many reports from comic shops state that values are in a steady state. •Most new issues stay level for longer periods of time. •Interest in recent back issues has not increased, but may have softened. •Many non popular titles sell very cheaply as a demand is very weak. •Great demand in golden and silver age titles, especially in top grade. •Dollars spent are the same, but with shifting interest.
